LELAND AND BAILEY

Exhibit B of the Republican Candidates Visit Dodge City and Are Cordially Met By Republicans

The second Republican candidate for governor of Kansas has visited Dodge City, and it may be said now that both candidates met a good reception here. Cy Leland, who has been a prominent figure in about all of Kansas' history, accompanied by Ex-Governor W. J. Bailey, arrived in Dodge City on the Rock Island Tuesday noon. A committee of citizens met them at the train and accompanied them to the Harvey House where they took a lunch before starting for the Soldiers' Home. A committee of old soldiers from the Home and another from Dodge City, accompanied them to Fort Dodge, where they visited during the afternoon and held a rousing meeting.

In the evening an open air meeting was held in Dodge City, where the band played and a street full of citizens gathered to listen to the speeches of Mr. Leland and Mr. Bailey. Mr. Leland was pleased with his reception at Dodge City and Fort Dodge. He met so many old soldiers and so much personal friendship was shown him, that he could not have felt otherwise. The theme of their addresses was the Republican nomination for governor of Kansas, and who should have the best right to it between the candidates proposed this year.

Mr. Leland stated while here that he is well pleased with the outlook over the state. He has met with much encouragement and is well satisfied with the prospects.

THE GAS WELL

Tubing is on its Way Downward For a Long Trip and Here's Luck to the Voyage.

Through the natural delays in getting started the first real progress on the gas well was made yesterday, so that Mr. Kingsley reports today that there is forty or fifty feet of tubing down now.

It is the intention to go down deep enough to make a thorough test and by next week's paper there ought to be a deep hole to report.

OLD SETTLER GONE

J. H. Crawford, Who came Here in Early Days, Passed Away Wednesday at Noon

The death of J. H. Crawford, one of the earlier settlers of this place, occurred at the hospital here at 12:30 o'clock, Wednesday, July 8. Twenty years ago Mr. Crawford was a prominent business man in Dodge City. At one time he was worth probably \$75,000, but he had business reverses and also lost heavily through his confidence in others. He retired from business life about ten years ago, being at that time over 60 years of age. Since then he has continued to make his home here. Several weeks ago he went to the hospital here for treatment, and improved for a time, then gradually sank.

Of Mr. Crawford's family, two daughters and four sons are living. His wife died just sixteen years before the day of his death. Mrs. R. H. Hazelton, a daughter, is the only member of the family now living in Dodge City. Three of the sons and one daughter live in Colorado and the other son in Arizona. Two of the sons, John and Clay arrived here several days before their father's death.

The funeral will be held in charge of the Masons on Friday afternoon from the Methodist church at 2:30 p. m.

Methodist Church

The usual services will be held Sunday in charge of the pastor, Rev. A. G. Van Haften, a Hindu, will preach morning and evening. Mr. Van Haften is a native of British India and a convert to the Christian faith. He is a preacher in the Methodist church and is now working in this district under the direction of our district superintendent, endeavoring to create a greater interest among our people in the cause of Missions, and his sermons are of much interest, illumination and profit. We hope the membership of our church will be present so far as is possible on next Sunday. Subscriptions will be taken for our church benevolences. Strangers in the city, persons having no church home, and others who may be specially interested are invited to worship with us.

F. W. Imboden, Pastor.

SATURDAY'S RACES

Dodge City Horses Made Some Fast Time at Races on Fourth of July

The races at the park last Saturday were a pretty good exhibition and some of the home horses showed up time that made the horsemen sit up and take notice. There were half mile heats in .06 1-2 and .07 in the Free For All pace, made by horses that will make a showing on the circuit this year. Oakland Belle, Chief Vesuvius, and Winnie Y were the starters, and there were four heats that were equal to the regular circuit races. The first heat was made in 1.10 (half mile), Chief first and Winnie Y second. The second was a dead heat in 1.07. Then the race began. Oakland Belle won three straights in 1.06 1-2, 1.06 1-2 and 1.09, with Chief second and Winnie Y third.

The free for all trot was a five heat contest, won by Sentinel Conquest in the first, third and fifth heats. Sam Gallagher's Katy K won the second and fourth heats. Mr. Gallagher did his own driving and showed that he has not forgotten how to drive during the 20 years that he has been off the track. The best time was 1.13 1-4.

The 222 pace was won in three straight heats by Mr. Young's Sultan Y, Wm. Wilkinson's "Gideon" second. Dean Sutherland was drawn. Best time 1.13 1-4.

The three eights mile dash was won by Little Band, in 37 1-2, Red Boy second, Black Bessie third. Pat Larkin and Billy were also starters.

Mission Circle Meeting

The Mission Circle of the First Baptist church met with Mrs. Murphy Wednesday afternoon, July 1. After reading of the scriptures, prayer and singing, Mrs. Spier read a most interesting paper on "Missions".

Among other things, she said that "the first baptism in Japan was administered in 1584. In the year 1864 there were nearly 270,000 Christians and 2500 churches in that empire. There have been 330 missionaries working among the foreigners in the United States the past year. They have labored with twenty-two different nationalities. We have ten Baptist churches with 890 members among the Indians in Oklahoma, with other missions in New Mexico, Montana, Idaho and Wyoming.

"The Home Mission Society sent out the past year 1583 missionaries to work in the various fields of our home land, and as a result, 18,284 were led to the Master."

Mrs. Ragland then followed with a talk on "Foreign Missions," their necessity and usefulness.

Mrs. Taylor gave a short talk on "Home Missions," and then the ladies present had a general discussion on missions in general.

The next meeting of the Circle will be held the first Wednesday in August.
